PROFESSIONAL SUMMARY

Creative and detail-driven Architectural Designer and BIM Coordinator with a B.Arch and M.Arch, bringing 2-3 years of hands-on experience across design development, construction documentation, and BIM project coordination. Equally fluent in translating bold design concepts into buildable, code-compliant solutions and managing the technical precision that keeps complex projects on track. Experienced across K-12 education, public works, residential, and mixed-use project types, with a strong command of Revit, AutoCAD, and BIM 360. Skilled at working across disciplines with structural, civil, and MEP consultants to deliver coordinated, construction-ready document sets. Seeking roles that blend design thinking with technical rigor in Architectural Design & BIM-driven environments.

PROFESSIONAL EXPERIENCE

Architectural Intern | *BWS Architects* | Phoenix, AZ May 2025 – May 2026

- Drove Revit BIM production across DD and CD phases for K-12 education facilities and public works projects, maintaining model accuracy and sheet consistency across all deliverables.
- Engineered standardized Revit sheet sets, view templates, and annotation families, reducing internal QC review cycles and eliminating formatting inconsistencies across drawing sets.
- Produced plans, sections, elevations, and details aligned with IBC requirements and office standards.
- Coordinated with structural, civil, and MEP consultants to resolve clashes and maintain model accuracy.
- Supported a \$30M public works master plan in Apache Junction, AZ, contributing to site analysis, research, and BIM documentation for a 28-acre infrastructure project.

Associate Architect | *Design Edge* | Hyderabad, India Sep 2022 – May 2024

- Produced full construction documentation packages including plans, elevations, sections, and details in Revit and AutoCAD across 5+ simultaneous projects from SD through CDs.
- Performed QA/QC reviews to ensure drawing accuracy and compliance with project standards.
- Managed BIM/CAD documentation systems and participated in client and project coordination meetings.

Architectural Intern | *The BOSHO Design Group* | Hyderabad, India Apr 2021 – Aug 2021

- Assisted in design development and documentation for high-rise residential and mixed-use projects.
- Prepared AutoCAD drawings, including plans, sections & elevations, while supporting multidisciplinary coordination.

Architectural Intern | *The Young Designers* | Hyderabad, India Jan 2021 – Mar 2021

- Produced permit and municipal approval drawings in AutoCAD and Revit for government projects.
- Conducted code research and area calculations to support regulatory compliance and permit approvals.
